## **SUIT UP CHARLOTTE GUIDELINES FOR CLIENTS**

Welcome!

We look forward to assisting you with your upcoming job interview.  
Please review the following before visiting Suit Up Charlotte!

Clients must have a confirmed appointment to be suited-up. Scheduling can be done through the referral agency.

Clients will be trying on suits and must maintain good hygiene and wear appropriate under garments.

This is a professional appointment and great practice for the job interview. Clients must be on time. Clients who arrive late may need to be rescheduled.

Clients may not bring any guests to their appointments. The only exception is a client with a disability who requires assistance. This is the client's time with the Suit Up Charlotte Style Consultants.

Clients must present a professional attitude.

As in an interview, clients must not use cell phones or any other electronic devices during their appointments. These devices must be turned off, silenced and ignored.

Clients cannot bring any food or beverages into Suit Up Charlotte Haberdashery!

Once suited up, employed or actively seeking employment men are invited and encouraged to register for our Professional Development and Fatherhood Workshops.

To be willing to assist when we give back to others as a Suit Up Charlotte Family.
