Amazing day with “WE WALK TOGETHER” in the Camp Greene Park area, named after Revolutionary War hero Nathanael Greene and rich with history dating back to WWI as a training ground for over 40,000 US troops. I learned something today, what about you?

Suit Up Charlotte’s Sunday morning “Why”. **Walking together with the founders & lovely people making positive differences, identifying ways to encourage peace and unity in our community.** All while picking up trash and getting acquainted. Spending time with “The Relatives on Ramp” as we engage Suit Up Charlotte’s current “Fly Tie Project.
