

To maintain social distance guidelines, Suit Up Charlotte has instituted Contactless Suit Up appointments. Enjoy a Contactless Suit Up Charlotte experience:

- Upon receipt of requested appointments, we will provide a tape measure with instructions on how your measurements are to be taken
- Contactless appointments must be referred from one of SUC community partners at least one week in advance
- We welcome cell phone pictures to guide in the attire selection process. Share favorite colors, and preference to ties (bow ties or not)
- Email details to touchless@suitupcharlotte.org
- Men will receive carefully selected ready-to-wear business attire and accessories, to enjoy a fitting in their private space
- Suits and additional items not scheduled for pick up will be boxed and delivered as we promote contactless guidelines
